

Dyson warranty: terms and conditions.

Exchange or return is possible within 14 days of purchase subject to the terms herein.

Please present original invoice, warranty card and the product (including the unit carton) in unused and unopened condition to exchange or return the product.

Refund will be in the form of Dyson credit vouchers / credit memo only, to be redeemed within a period of 6 months.

If a defect is discovered after opening/using the product, your product is covered under repair/replacement warranty in accordance with manufacturer warranty terms.

What does a Dyson warranty cover?

A Dyson warranty covers the repair or replacement (at Dyson's discretion) of your Dyson machine if it is found to be defective due to faulty materials or workmanship within the warranty period.

If any part is no longer available (e.g. particular colour variations), Dyson will replace it with a functional replacement part.

How long is the Warranty valid for?

We don't stop caring about our machines once they're yours. We offer the following warranty for products.

5 year warranty on:

- Upright and cylinder vacuums.

2 year warranty on:

- Cord-free vacuums
- Purifiers
- Hair dryers and hair stylers
- Lights

What isn't covered by a Dyson warranty?

Dyson machines are engineered and constructed for continual high performance in normal domestic settings. If a Dyson machine is used in the way it's intended and it breaks down within the warranty period, it's our responsibility to repair or replace it.

There are, however, some circumstances in which a Dyson warranty doesn't cover the repair or replacement of a machine. These aren't hidden in the small print. Here's what isn't covered:

- Normal wear and tear, including parts that might wear out over time (e.g. fuse, belt, brush bar, batteries, filters etc.).
- Accidental damages.
- Damage as a result of use not in accordance with the rating plate.
- Damage caused by not carrying out the recommended appliance maintenance.
- Removal of blockages. If your machine becomes blocked, please refer to the Dyson Operating Manual for details of how to unblock it. If you are unsure, our customer support helpline can be reached on 80058626 from within the UAE or via email on support.uae@dyson.com
- Damage from external sources such as transit, weather, electrical outages or power surges.
- Failures caused by circumstances outside of Dyson's control.

Faults caused by:

- Negligent use, misuse, neglect or careless operation of the machine;
- Use of the machine which is not in accordance with the Dyson Operating Manual;
- Use of a Dyson machine for anything other than normal domestic household purposes in the country in which it was purchased.
- Use of parts not assembled or installed in accordance with the instructions of Dyson.
- Use of parts and accessories which are not Dyson Genuine Components.
- Faulty assembly or installation (except where carried out by Dyson).
- Repairs or alterations carried out by parties other than Dyson or its authorised agents.

If you have any questions about what a Dyson warranty covers, we'll be happy to help. You can call us on 600532395 from within the UAE or contact us via email on support.uae@dyson.com

Are Dyson Warranty transferrable?

Dyson guarantees are transferable with the machine, provided the original proof of purchase from a recognised retailer is supplied, together with evidence of any change of ownership of the machine, confirming that the machine was in good working order when the change of ownership took place.
